

## Primary Sports & PE Funding 2024 – 2025

At Gayhurst Community School, we are strongly committed to PE and recognise the contribution of PE to the health and wellbeing of the children. Additionally, we believe that an innovative, varied and immersive PE curriculum has a positive influence on concentration, attitude and academic achievement. The same can also be said for our extra-curricular opportunities. Our commitment to these opportunities is evident in the wide array of sporting activities that we offer both in and out of school. Our Sports Premium Funding will help us to continue to provide this provision and ensure that we have professionals that specialise in the areas on offer.

### Purpose of the Funding

Schools are required to spend the sport funding on improving their provision of PE and Sport, but they have the freedom to choose how they do this.

However there are 5 key indicators that schools are expected to see improvement across:

Key indicator 1: Increased confidence, knowledge & skills of all staff in teaching PE & Sport

Key indicator 2: The engagement of all pupils in regular physical activity

Key indicator 3: The profile of PE & Sport is raised across the school as a tool for whole school improvement

Key indicator 4: Broader experience of a range of sports & activities offered to all pupils

Key indicator 5: Increased participation in competitive sport

### Objectives for PPSG spend:

- To improve the provision of PE and Games at Gayhurst.: Key indicators 1 & 3
- To broaden the sporting opportunities for pupils at Gayhurst. Key indicators 4 & 1
- To develop a love for sport and competition through participation in competitive sporting events. Key indicators 5 & 3
- To target and develop children who do not have the opportunity to take part in sporting activities outside of school. Key indicator 2
- To increase physical activity and encourage a healthy life style. Key indicators 2 & 3

### Impact

The school measured the impact of the sports fund grant spending at the end of 2023 - 2024 through pupil interviews, evaluations completed by the PE Lead, specialist PE teachers, and analysis of attendance at clubs / activities and percentage increase in attendance at sporting events.
